

A European project to  
**support associations**  
in their **ecological**  
**transition**

#TEDDAprojet

Co-funded by  
the European Union

# TEDDA

*Transition Ecologique et  
Développement Durable  
des Associations*

Does your association want to learn  
about or start its ecological transition?

## Check out the results of the TEDDA project!

- A gallery of inspiring portraits
- Methodological guide to transition
- 2 “Zero Carbon Objective” educational tools
- A White Paper for the ecological transition of associations
